

Limitless Learning Initiative - Annual Technology Fee & Insurance Program
(Grades 6-12 Families Only)

Paying your annual technology fee enrolls you in a self-funded insurance pool that will cover the cost of accidental damage or theft of a district-provided device. Enrollment in Ladue School District's Annual Technology Fee & Insurance program protects you from the cost to repair or replace your Ladue Schools issued device and limits your responsibility to a per-occurrence deductible outlined below. The coverage extends to accident or loss only; the student will be charged for the actual cost of repair or replacement of the device due to willful, deliberate damage, or damage caused through negligence.
